We believe the Bible is fundamental to everything we do, and guides our church and our personal lives.

Value #2

We believe that God is concerned about each individual Non-believer, and therefore, reaching out to them is a priority of our church.

Value #3

We believe that the church should be culturally relevant, while remaining doctrinally pure.

Value #4

We believe our church should operate as a unified community of servants stewarding their spiritual gifts and resources.

We believe that the pursuit of full devotion to Christ and His cause is normal for every believer.
